

Cabana III Instructions

Setting Up:

- 1) Remove tent from bag, release elastic fastener and allow the arms to fall.
- 2) Stand on purple floor and locate the ropes marked "Pull". Hold one rope in each hand.
- 3) In one swift motion, pull ropes upward and then outward until the tent opens and poles click into place.

Folding Down:

- 1) Stand in doorway and place your hands on the green tabs marked "Push Down".
- 2) Push down firmly to collapse.

Lift the 4 side arms to the center and roll up tightly and secure with elastic fastener.
